Trans-America Investments

“Competent, friendly service with a professional’s knowledge of the business.”

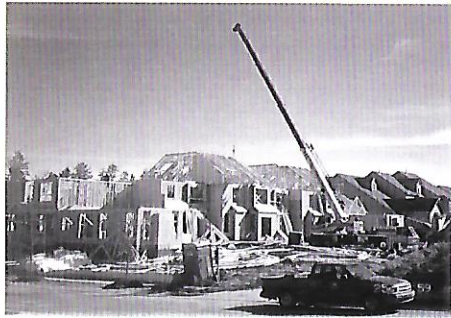

—Bruce Beaulieu
Maple Leaf Construction

**Morlando Crane
7104 Eastridge Dr.
Apex, N.C. 27539**

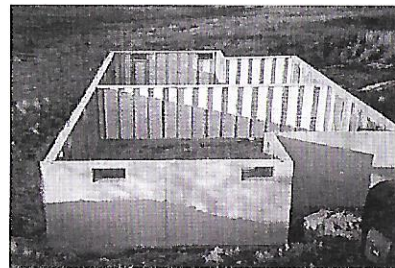

**SKILLED, EFFICIENT,
CUSTOMER-ORIENTED OPERATORS
SINCE 1991**

COMMERCIAL: We provide commercial lifting of industrial HVAC units, trusses, plant work, tanks, boilers, electrical equipment, roofing, steel erection and more.

MODULAR HOMES: We offer a complete package, including lift and place of modular units, pre-cast concrete basements, and set and finish crews.

PRE-CAST CONCRETE BASEMENTS: We use only Superior Wall's pre-cast, insulated above- and below-ground systems. Superior Walls offers the most affordable installation process on the market and comes with a 15-year warranty.

NEED A LIFT?

Morlando Crane is a family-owned and -operated business with over thirteen years of experience. We provide custom support for all of your commercial crane and rigging, pre-cast concrete and modular home needs.

Morlando Crane puts safety first with qualified personnel and state-of-the-art equipment certified to meet OSHA requirements. Best of all, we provide you with the individual, expert attention you need for every project.

When it comes to safe, quality crane work and excellent customer service we're one of the best in the Triangle.
